NEW SCHEDULE FOR COMBINED FILERS

NH-1120-WE, Schedule IA has been removed and Schedule I has been updated.

NO EXTENSION OF TIME TO PAY TAX

An extension of time to file your return is not an extension of time to pay the tax due. An automatic 7 month extension of time to file your return will be granted, however, interest will be applied and penalties shall be assessed if 100% of the tax determined to be due has not been paid by the due date of the tax. If the calculation on your extension indicates no additional balance due, please do not file an Application for Extension.

Access e-file or use Form BT-EXT for Business Taxes if you need to make an additional payment in order to have paid 100% of the tax due by the original due date.

When you calculate the tax on your return during the extension period, if the tax balance due is greater than zero, then you did not pay 100% of the tax by the original due date and interest will be applied and penalties shall be assessed. Do not file a request for an extension if no money is due.

To request an abatement of any penalties that may be assessed, please attach a letter and any supporting documentation (e.g. work papers for said calculation, change of status, etc.) to the front of the return when filed. As long as 100% of the tax due has been paid by the original due date, you have an automatic 7 month extension of time to file the return.

Even if you have filed a Federal and/or State extension, it is not necessary to attach a copy to your return.

DEPRECIATION AND RECONCILIATION

President George W. Bush signed PL 107-147, the "Job Creation and Worker Assistance Act," also known as the Economic Stimulus package and PL 108-27, Jobs Growth Tax Relief Reconciliation Act of 2003. Under these laws, there was a change to federal business taxpayer filings for 2001- 2004 calendar year returns which included bonus depreciation of the cost of capital assets placed in service between September 10, 2001 and January 1, 2005 or January 1, 2006, for certain assets.

At this time, the New Hampshire Legislature has not changed the current business tax laws to conform with the federal tax law changes. The Internal Revenue Code (IRC) reference remains the Code **in effect on December 31, 2000**. Therefore, if these changes are used on your federal filing, business taxpayers must recalculate their New Hampshire gross business profits. Since, under current New Hampshire law, the bonus depreciation and the additional IRC Section 179 expense is not allowable, business taxpayers will have to adjust the taxable income reported on their federal return before reporting their gross business profits on their New Hampshire business tax return. The adjustment will require the removal of the federal depreciation and IRC Section 179 expense authorized under the "Job Creation and Worker Assistance Act" and only allow depreciation and IRC Section 179 expense as provided under the IRC in effect on December 31, 2000.

Schedule R has been provided in this booklet for each business entity type to assist businesses in recalculating their New Hampshire Gross Business Profits. The completed Schedule R should be filed with the corresponding New Hampshire Business Tax return.

NEW HAMPSHIRE DEPARTMENT OF REVENUE ADMINISTRATION
GENERAL INSTRUCTIONS FOR FILING BUSINESS TAXES

S-CORP FILERS	New Hampshire treats subchapter "S" corporations as if they were "C" corporations. All S-corporations are required to complete Form DP-120. Returns filed without a Form DP-120 will be incomplete and may be returned to the taxpayer. S-corporations who make actual distributions to New Hampshire resident shareholders are required to file Form DP-9 separately from the return.
SINGLE MEMBER LIMITED LIABILITY COMPANIES	<p>Single Member Limited Liability Companies (SMLLC) shall use Form DP-200 to apply for a New Hampshire Department of Revenue Administration assigned identification number. This form shall be filed at least 30 days prior to the filing of any other tax related document. SMLLC's are required by New Hampshire law to file a tax return even though the SMLLC does NOT file a separate federal tax return.</p> <p>ALL SMLLC's MUST USE A DEPARTMENT IDENTIFICATION NUMBER (DIN) WHEN FILING ANY AND ALL TAX RELATED DOCUMENTS.</p> <p>Your DIN shall be used in place of the entity's federal employer identification number. When filing all future documents, the DIN shall be entered wherever federal employer identification numbers or social security numbers are required.</p>
ESTIMATED BPT & BET PAYMENTS	Every entity required to file a Business Profits Tax (BPT) return and/or a Business Enterprise Tax (BET) return must also make quarterly estimated tax payments for each individual tax for its subsequent taxable period, unless the ANNUAL estimated tax for the subsequent taxable period for each tax individually is less than \$200. However, if at the end of any quarter the estimated tax for the year exceeds \$200, an estimated tax payment must be filed. The quarterly estimates are 25% of the estimated tax liability. See the instructions with the Estimated Business Profits Tax Form for exceptions and penalties for noncompliance.
DEPRECIATION AND RECONCILIATION	<p>President George W. Bush signed PL 107-147, the "Job Creation and Worker Assistance Act," also known as the Economic Stimulus package and PL 108-27, Jobs Growth Tax Relief Reconciliation Act of 2003. Under the law, there was a change to federal business taxpayer filings for 2001- 2004 calendar year returns which included bonus depreciations of the cost of capital assets placed in service between September 10, 2001 and January 1, 2005. (January 1, 2006, for certain assets).</p> <p>At this time, the New Hampshire Legislature has not changed the current business tax law to conform with the federal tax law changes. The Internal Revenue Code (IRC) reference remains the Code in effect on December 31, 2000. Therefore, if these changes are used on your federal filing, business taxpayers must recalculate their New Hampshire gross business profits. Since, under current New Hampshire law, the bonus depreciation and the additional IRC Section 179 expense is not allowable, business taxpayers will have to adjust the taxable income reported on their federal return before reporting their gross business profits on their New Hampshire business tax return. The adjustment will require the removal of the federal depreciation and IRC Section 179 expense authorized under the "Job Creation and Worker Assistance Act" and only allow depreciation and IRC Section 179 expense as provided under the IRC in effect on December 31, 2000.</p> <p>Schedule R has been provided in this booklet for each business entity to assist in recalculating their New Hampshire Gross Business Profits. The completed Schedule R should be filed with the corresponding New Hampshire Business Tax return.</p>
REFERENCES TO FEDERAL FORMS	All references to federal tax forms and form lines are based on draft forms available at the time the state forms were printed. If the federal line number and description do not match, follow the line description or contact the Department at (603) 271-2191.

The fiduciary return must have the federal Form 1041, pages 1, 2, 3 and 4, and applicable schedules. Failure to attach all federal schedules as required shall be deemed a failure to file a New Hampshire return and may subject the taxpayer to penalties.

The apportioned loss cannot exceed the following limits based on the tax period the loss was incurred: From July 1, 2003 to June 30, 2004, \$500,000 is the maximum amount that may be carried forward. ON EACH ESTIMATE FORM.**

4 Payment of Estimated Tax

Estimated tax may be paid in full with the initial declaration or in installments on the due dates.

You may make all four estimate payments at one time over the Internet. Specify each date you want a payment to be made from your account and each payment will be withdrawn on the date you specified.

5 Underpayment Penalty

A penalty may be imposed by law (RSA 21-J:32) for an underpayment of estimated taxes if the payments are less than 90% of that period's tax liability. If estimate payments are not made on time, even if 90% of the tax is eventually paid, an underpayment penalty may be applied. If an estimated payment is missed, send the payment as soon as possible to reduce any penalty.

This penalty will not be imposed if any of the statutory exceptions apply. See Form DP-2210/2220.

6 Exceptions to the Underpayment Penalty

The penalty shall not apply if you meet one of the exceptions provided in the law (RSA 21-J:32). Please use Form DP-2210/2220 to see if you meet one of the exceptions or to compute the amount of the penalty. To obtain this form visit our web site or call the forms line at (603) 271-2192.
